

A BIBLE VERSE TO GROW BY

SET 1

STUDY 4

**God
Protects Me**

Psalm 121:8

Introduction

Babies are a gift from God. It's fun to hold them, feed them and watch them grow. And just as newborn babies need milk to grow physically, we need the milk of God's Word to grow spiritually.

I Peter 2:2 says:

“As newborn babes, desire the sincere milk of the word, that ye may grow thereby:”

This Bible study is designed to help you feed on God's Word and do what it says. As you do, you will grow in Him.

Have fun studying God's Word with your family, one Bible verse at a time!
